

Gosport Community Bike it:

Following the success of the Gosport community 'Bike It' summer events, Sustrain are putting on a fantastic family ride this October half term (Tuesday 23rd October at 12.00). To secure a place please visit www.eventbrite.co.uk. The ride is for the whole family to enjoy and is a great way to stay active together during the holiday. The route will be a fun mix of different surfaces on traffic free and very quiet roads with an emphasis on confidence building, bike handling skills and having a good time. It will include a stop at the beach and an opportunity for games and skills sessions. The only equipment you require is a working bike. They can provide everything else. If you do not have access to a bike but are still interested then please contact Andy by email andy.dickinson@sustrains.org.uk or 07786252402.

Rocksteady:

We have been lucky enough to secure a second Rocksteady slot at AJS. There are currently spaces for guitar, keyboard and singing to start after half term. Please see the letter that was given out previously, visit <https://www.rocksteadymusicschool.com/> or see Miss Gardner for more information.

Don't Forget:

- Year 6 parents—deadline for secondary applications is Wednesday 31st October
- Shoe boxes to be in on Monday 29th October
- Buy your firework tickets
