Mary Poppins-  
Supercalifragilisticexpialidocious

## CHORUS

It's Supercalifragilisticexpialidocious!

Even though the sound of it is something quite atrocious

If you say it loud enough you'll always sound precocious

Supercalifragilisticexpialidocious!

Um-dittle-ittl-um-dittle-l

Because I was afraid to speak when I was just a lad

Me father gave me nose a tweak and told me I was bad

But then one day I learned a word that saved me aching nose

The biggest word you ever heard and this is how it goes

## CHORUS

He travelled all around the world and everywhere he went

He'd use his word and all would say there goes a clever gent

When dukes and Maharajahs pass the time of day with me

I say my special word and then they ask me out to tea

## CHORUS
