Dear Parents/Carers

Service Pupil Premium

As you may be aware the Government provides a pupil premium for service children to enable schools to provide the extra support needed to mitigate the effects of frequent changes of school and the effects of separation from a serving parent deployed on operations.

In order the service children to benefit from the premium we need to ensure we are aware of all children who are eligible for service status for the Annual Schools Census. The Annual Schools Census **does not** link names to census data so there should be **no security risk** in completing the census return to indicate a service child.

This premium is for children of current serving service personnel, for those who have had a service parent who had died in service and also for those who have left including through injury for up to a maximum of six years.

Please return the slip below to the school office as soon as possible if either you or your partner is a current member of the armed forces or has served in the previous six years.

Thank you.

Alverstone Church of England Junior School – Service Pupil Premium

My child is eligible for the Service Pupil Premium.

Please let us know which member of the family is in the services and which service.
